Dear Students and Parents,

I hope that you are enjoying a good and restful summer. I also hope you are happy to turn your thoughts toward fall and our return to school. The teachers and I are looking forward to seeing you again—or meeting you for the first time—and, following the past year-and-a-half, to a return to as close to normal a school year as possible. As opening day approaches, please watch for another letter with further guidance regarding coronavirus.

Regardless, we are clear that we will meet in person, in real life, and that we will begin the year with our traditional Orientation at Camp Hi-Rock. [Click here for more information about that.](#)

Please recall that we are in session Monday through Thursday, from 8:30 a.m. to 3:45 p.m. The school building will be open at 7:45 a.m. each day. We will also continue to hold some classes in the Congregational Church.

We are working on the schedule, and will re-introduce electives, for which students will sign up during Orientation.

We will also participate in Shakespeare & Company's Fall Festival again; more details once school begins.

And we will revive our sports program, including fall soccer. We are still seeking a coach—if you have any suggestions, please send them our way. Further, we will know shortly after August 18 if we have been admitted to the MIAA (Massachusetts Interscholastic Athletic Association), which will make it possible for our students to join teams at Monument High School.

We look forward to welcoming you—or welcoming you back—to a great school year in September. For now, please read below for a wealth of back-to-school information.
